Join us to explore the journey of reconciliation that is Lent and Easter. Fr Peter Varengo, an experienced preacher, educator, writer, and spiritual director, will lead us on an interior pilgrimage and assist us to deepen our own spiritual journey. This retreat will combine presentations, communal and private prayer and reflection, eucharist and fellowship to offer us the opportunity to enrich our spiritual lives.

The retreat will be conducted at Don Bosco Retreat Centre, which is conveniently located in the picturesque Lysterfield Valley and the foothills of the Dandenong Ranges, only 10 minutes from the freeway system. The natural beauty of this idyllic setting inspires prayer and reflection.
